Orientation Course for Volunteers December, 2 – 4, 2016 in Elstal / Germany

At the **Orientation Course** you will be informed about the volunteer's work with EBM INTERNATIONAL. Theory and Practice remain to this weekend, as well as the reflection about what Mission is, and the personnel conversation with every participant about his or her capacities and possible work places. We also mediate practicals and clinical traineeships.

Work places for a voluntary service are available in Malawi, South Africa, India, as well as in Argentina.
